Question 1

10 out of 10 points

This lecture is not part of the exam material, so there are no content-based questions, but for me, it is interesting to know if you watched the video.
So, here is my “Easter egg” question:
Why is Chris wearing the shirt he is wearing for the lecture on scientific writing?

Selected Answer: (meta-) Reading is fundamental

Answers: It's Chris
(meta-) Reading is fundamental

I admit, I did not watch all videos yet, so I don't know :-)

Why not?

Response Feedback: Hooray -- did you watch the video?

Question 2

Needs Grading

Are any aspects of the lecture material unclear, or do you have follow-up questions about this?
If I have your feedback in time AND if there is sufficient time to do so, I will try to address this during the live lecture that is associated with this question.

Leave this blank if you do not have any questions.

Selected Answer: Thanks.

Response Feedback: [None Given]
